**RE: GOLDING BUILDERS**

*To Whom It May Concern:*

*We have been asked to supply a work reference for Golding Builders and more particularly Terry Golding. It is with our pleasure that we provide this.*

*Terry was our main contact person when we built our two storey home at Flagstaff Hill with his company. The reason we selected Goldings' was quite honestly because they were a small company who didn't treat us as a number. Terry was hands-on through the whole building process and found him very helpful and professional.*

*We would have no hesitation in recommending Golding's to other potential clients.*

*Yours truly*
