RE: REFERENCE

Dear Terry,

As discussed we are more than happy to feature in your next mail-out. We would be happy to be quoted as saying.

"We built with Golding's because they are experienced, extremely obliging, and take pride in what they build. When we were comparing builders we couldn't go past them simply because we knew they would give us the best finished product. Bruce and his two son's Ben & Terry couldn't do enough for us to build our home just the way we visualised it."

They build the old way - plenty of planning, good tradespeople who know their standard, regular site meetings with us, minimum of 3 coats of paint etc. etc. .... this level of service can't be documented yet they do it automatically!

We highly recommend the Golding's to you - you will be delighted with the end result!"

Kind Regards,

David & Ben.
