To whom it may concern.

We recently sold our property
in Klemzig, to Goldlink Developments P/L. our
contact with this company was Terry Golding.

We found Terry, at all times, to be
courteous & helpful. All transactions were
hassle free, being dealt with in a friendly
but business-like manner.

One aspect of our dealings with Terry,
which we particularly appreciate, is the
continued information re developments in
Klemzig.

It has been a pleasure to do business
with Terry & we wish him well in future
projects.

Yours truly

J. L. Coates
