GLEN OSMOND SA 5064

Dear Bruce,

On behalf of both Catherine and myself, I wish to extend my sincere thanks and appreciation for the thoroughly professional, efficient and personalised approach adopted by Golding Family Builders during all phases of the construction of our home.

The attention to detail, the quality resources and the outstanding craftsmanship combined have produced a superior quality home of which both Catherine and I are extremely proud.

The opportunity so openly extended for us to become proactively involved in the building process has ensured the entire experience was seamless, positive and critically, delivered the end result both Catherine and I had earlier envisaged.

Please communicate our sincere thanks to both your expert staff and dedicated tradespeople who were all witnessed "going the extra mile" to ensure our complete satisfaction.

Again Bruce, many thanks for crafting our home and be confident in the knowledge next time we intend to build, I need only remember one phone number... Yours!

Yours sincerely,
