Dear Terry,

## **Re: Golding Family Builders Testimonial**

I am pleased to be able to recommend the services of your Company to any prospective client.

Over many years Bruce, Ben and yourself have provided building and development services to organizations I have been associated with - The quality of your workmanship, technical guidance and follow up has been exemplary.

A competitive pricing policy combined with a genuine commitment to your client has been particularly beneficial to St. Matthews Homes.

Should a prospective client wish to contact me to discuss your credentials, please do not hesitate to suggest they give me a call.

May I take this opportunity to wish Golding Family Builders continued growth and success.

Yours faithfully  
St. Matthews Homes Incorporated
